Poultry Association Offers  
Premiums to Ex-  
hibitors at Its  
Coming Show

### ENTRIES TO SATURDAY

When one stops to consider the age of the Cochise County Poultry association, as compared to shows held all over the country, we certainly should take pride in the most liberal prizes which are offered as awards for the prize winners, Bisbee and Cochise county, never does things by halves, but no matter what the undertaking may be, the spirit of the country is one of the very highest standards. Our people will certainly have reason to feel justly proud of her second annual exhibition. ### HAD NO DULL TIME ON HER OCEAN TRIP.

Mrs. Edward B. Alsop.

That there were no dull moments for Mrs. Edward B. Alsop, the gay young wife of the aged millionaire Alsop during their recent ocean trip from Europe, is vouched for by the passengers aboard the American liner President Grant.

She evidently spent all her traveling allowance before reaching New York, for she gave a diamond ring to the chief steward as security for her champagne check. When she liner came alongside, she was discovered at the rail smoking a cigarette, hugging a gloomy Blenheim spaziel and offering to the dog's nostrils again and again her bouquet.

Before her marriage Mrs. Alsop was Effie Pope Hill of Georgia.
